WHEN TO APPLY

Applications for support will be accepted anytime throughout the year; however, only one request per organization will be accepted in a 12-month period. Applications are reviewed quarterly.

COMMUNITY

BUILDING A FOUNDATION IN THE COMMUNITY

Tenaris is deeply committed to caring for and improving the communities where we live and work. Our goal is to build a foundation to enable people to prosper and grow, and as a strong corporate citizen, provide a deep and lasting impact.

Tenaris's philosophy is to provide support to organizations that make a difference in one or more of the following areas: education; arts and culture; health, sports and integration; environment; and social assistance and development.

OUR FOCUS

Among our five focus areas, Tenaris prioritizes its work in education, promoting the creation of knowledge as a strategy for the development and growth of both the company and the community.

Tenaris is committed to education.

EDUCATION

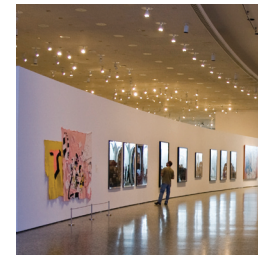

We are committed to improving the quality of education by supporting the expansion of opportunities for teachers and students, teacher training, rewarding the performance of talented students and improving school management.
(primary, secondary and university public education)

ARTS AND CULTURE

We value multicultural integration, diversity and openness towards the world by promoting culture. We support programs for generating artistic expression and integration by promoting artistic activities, which create a greater knowledge about different contexts and cultures.

HEALTH, SPORTS & INTEGRATION

Our focus is to strengthen the management and quality of services offered at public health centers, promote the practice of sports at an amateur level and to promote leisure activities, which bring employees and their families together within the community.

Promoting artistic expression and activities.

Mentoring and knowledge sharing opportunities for students.

ENVIRONMENT

We contribute to the recovery and generation of green spaces and teach and raise awareness about environmental problems through education.

A GLOBAL LEADER

Tenaris is the leading supplier of tubes and related services for the world's energy industry, among other industrial applications. Our mission is to deliver value to our customers through product development, manufacturing excellence and supply chain management. We recognize that the quality of our products and services is the result of the combination of talents and technologies, brought together in a global organizational structure. With worldwide facilities located in North America, Europe, South America, Africa, the Middle East and Asia, Tenaris is strategically located near sources of energy, exploration and drilling activity.

CORPORATE VALUES

Our corporate values represent the foundation of the company and are essential to our success. They include: Serving our customers by understanding their needs; Operating in a transparent manner; Caring for our employees; Promoting safety in the workplace and protecting the environment; Managing rationally; Operating as a single, globally integrated organization; Using information technology to serve our customers better; Using our resources wisely; Operating without waste or excess; Caring for the communities in which we operate; and Fostering trust and reliability with our shareholders.

SOCIAL ASSISTANCE & DEVELOPMENT

We provide support for the development of communities and neighborhoods where we operate and programs which improve the quality of life for the families in our communities.

Tenaris encourages its employees to volunteer and give back to the local community. Our employees give their time, talent and energy to many worthwhile causes in the U.S. and around the world. We encourage volunteerism through company-sponsored events and on an individual basis.

Promoting a corporate culture of volunteerism.
